

We, the people of Nemesis,

In order to defend the freedom of action of the individual,

With the aim of maintaining internal cohesion and the dignity of others,

And aware of our rights and responsibilities towards the physical reality constituting the city,  
submit to the following constitution.

---

#### Theft Rights

- All citizens have the right to commit theft.
- Everyone can act for the protection of their rights and interests.

---

#### Property Rights

- All citizens have the right to protect their belongings.
- All citizens have the right to pursue other citizen's belongings.

---

#### Citizenship rights

- Identification is mandatory, before being admitted to the city.
- All aspiring citizens must meet eligibility requirements.
- In order to obtain citizenship it is necessary to bring something previously stolen, which will become part of the city.

---

#### Movement Rights

- All citizens have the right to freedom of movement within the city.
- It is possible to leave the city at any time, but without any object.
